

Dear Friends,

It is my pleasure to introduce you to Clear Creek Christian School. The school is near and dear to my heart since I have been here from the beginning in 1995!

We are an ACSI accredited Christian school that serves students in grades Kindergarten through sixth. We teach students that God loves them, and we strive to grow together in His grace and knowledge each and every day.

To our teachers and staff, this school is a ministry. Our prayer has always been that God would send us the students He wants us to serve. Knowing that prayer has been answered as each student walks through the door, gives us a purpose and a drive to see that each student's needs are met. We work together as a team with parents to make sure students move in the right direction physically, socially, emotionally, and spiritually. That is quite a task and can only be done with God's help so you can understand that prayer is extremely important at Clear Creek.

When surveyed our parents marked us high in the following areas:

Christian atmosphere is positive and encouraging – not legalistic.

Christian teachers and staff are excellent and loving.

Our test scores demonstrate academic excellence.

The flexible staff meets each student's needs.

Discipline is administered with care and thoughtfulness.

We would love to meet you and your family. We would love to show you our facilities. We would love to introduce you to the rest of our teachers and staff. We would love for you to become part of the Clear Creek Christian School family. Please call us and set up an appointment today and be in prayer about your decision concerning your child's education. We are.

Serving Christ at Clear Creek Christian School,

*Penny Adams
Principal*
